

National Student Housing Survey

Have your say – wherever you live.

We're inviting all Northumbria students to take part in this year's National Student Housing Survey.

The results will help us to monitor the standard of accommodation available to Northumbria students and improve accommodation standards for the future.

In addition, completing the survey automatically enters you into a prize draw to win a range of cash prizes up to £500.

The survey is easy to complete and should take around 10 minutes.
