

Bus Route in City Centre

University Bus Service

Timetable 2011/2012

Coach Lane Shuttle

Welcome aboard our new bus, which we put into service in September 2007. It has more seats and more standing room and is more accessible – please ask the driver if you require assistance. It also has a new “Euro 4” engine, which means it meets the latest emissions standard and is therefore more environmentally friendly.

In response to passenger feedback, we have amended the timetable to include the following changes:

- An earlier start so city based students can get to Coach Lane for 9am lectures.
- Fewer journeys to Four Lane Ends Metro which means we can run an extra return journey to Coach Lane during the daytime.

- A new circular route in the city centre to serve both the existing and extended campus as well as a convenient stop on New Bridge Street for several halls of residence.
- Please note that we will not be visiting the turning circle on the new campus as this could lead to delays if cars are queuing for the car park and also because the traffic lights on New Bridge Street have an east – west priority.

If you have any comments on this service, please phone 0191 227 3067
