

OUR ALUMNI

We are proud to name some of design's leading lights as Northumbria's School of Design alumni.

From the movers and shakers like Jonathan Ive (CBE) who leads the design team responsible for the iMac, iPod and the iPhone, Tim Brown the CEO and president of IDEO, and Warren Trezevant who is a core member of the Pixar Studios' animation team and has worked on movies such as Finding Nemo, Monsters Inc., Toy Story and The Incredibles.

Some of the best known brands around the world are powered by Northumbria School of Design graduates.

From recruitment to R&D, product launches to product design, buyers to board directors – our graduates work in a wide variety of roles for a range of different sectors.

Here are a select few of our Alumni to show that at Northumbria School of Design; our graduates make an impact wherever they go.

For more information about our alumni visit www.northumbria.ac.uk/designalumni

Animator and creative lead for Dimensional Animation

DESIGN ALUMNI

Northumbria School of Design is not here to mass produce design clones.

We don't do predictable. We strive to shape designers who are innovative and work with initiative and integrity.

These qualities put us at the top of the must-see recruitment lists for leading companies both nationally and internationally.

For more information about our alumni visit www.northumbria.ac.uk/designalumni

FANTASTIC FACILITIES

The School of Design has fantastic facilities in its multi-million pound home at City Campus East.

With the latest in design technology, state of the art facilities and a dedicated exhibition space – the School of Design home really is something to be proud of.

We are also delighted to announce the launch of the School of Design, London. The new London campus boasts a refurbished building with new equipment and computer facilities while providing a highly professional and dynamic environment.

WHERE YOU'LL FIND US

Located in the lively, dynamic city of Newcastle upon Tyne, Northumbria's School of Design is surrounded by fun, culture and inspiration.

With direct access by train, plane or automobile, Newcastle is easy to get to but much harder to leave.

Islington – the home of the School of Design, London – is locally known as the 'real London'. It boasts everything that makes life fascinating for locals and visitors alike and since the late 1960's an Islington address has been highly regarded.
