

Application Guidelines for International Students – paper/pdf form

Thank you for your interest in Northumbria University. These notes are designed to help you complete your application for admission to the University.

N.B For the purposes of applications to Northumbria's London campus, references throughout these Guidelines to 'the University' should be interpreted as meaning Northumbria London Campus Limited, which is a Branch Campus of Northumbria University.

THINGS TO CONSIDER BEFORE YOU START COMPLETING THE FORM

- This application form is available in both paper and electronic format. The paper form can be scanned and emailed as an attachment or posted to the relevant admissions office. The electronic form should be saved to your computer as you complete it, and then emailed as an attachment or printed and posted to us.
- You must complete the application form **yourself** and in English. You should complete **all sections** as fully as possible. If you miss out any important information, the University may not be able to process your form and your application will be delayed. If you fail to provide the information required by the University, or provide false or misleading information, the University reserves the right to reject or withdraw your application, revise your fees status or cancel your registration.
- If you are completing the application by hand, it should be completed in **BLOCK CAPITALS in BLACK INK**. If University staff cannot read your application, then this may lead to mistakes being made in your offer letter or your Confirmation of Acceptance for Studies and your visa application being delayed.
- If you are completing a paper application form you should keep a photocopy of your completed form so you can remember the information you have included in it, in case you are asked to attend an interview. If you are completing the electronic version you should save a copy on your computer for future reference.

Application Deadline

- We strongly recommend that you apply as early as possible to allow enough time to complete all the preparations you need to make for studying in the UK. After receiving an offer it can take several months to arrange your finances and apply for a visa and it is important that you arrive in good time for our international enrolment session. The deadline for applications for the Semester 1 intake is **31 July** and the deadline for Semester 2 intake is **2 December**.
- Please note, we cannot guarantee that applications received after these dates will be processed in time for you to start your chosen course.
- These deadlines apply to most of our courses, however please check the course information on our website or contact the International Office as there are some courses which may have an earlier deadline and some courses may close admission earlier if all places are filled. If you wish to benefit from an early payment discount, you need to have made your fee payment in full by the Early Payment deadlines advertised on our website.

Deadline for Requesting a Confirmation of Acceptance for Study (CAS)

Once you have met all our conditions and paid your deposit, you should submit your Offer Acceptance and CAS request to the International Office **by 2 September for Semester 1 entry and 10 December for Semester 2 entry**. If you accept your offer and request a CAS after these deadlines please note that we cannot guarantee to process a CAS for you in time for your visa application.

Applicants may find their visa application is delayed or refused if the name on their CAS does not match the name on their passport.

SECTION 5: CRIMINAL CONVICTIONS

The University has a duty of care to its students and staff, and to help reduce the risk of harm or injury to them caused by the criminal behaviour of other students, the University must know about any **relevant** criminal convictions that an applicant may have. Relevant criminal convictions are only those convictions for offences against the person, whether of a violent or sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1974) are not considered to be relevant and you should not reveal them (but see the next paragraph below).

If you are applying for courses in teaching, health, social work and courses involving work with children or vulnerable adults, you **MUST** tell us about any criminal convictions, including spent sentences and cautions (including verbal cautions) and bind over orders. For these courses, you may need an 'enhanced disclosure document' from the Disclosure and Barring Service (DBS) (previously CRB) and the University will send you the appropriate documentation to complete. Further details about the DBS can be found at <https://www.gov.uk/disclosure-barring-service-check/overview#>. You may also be required to complete documentation and maintain registration with the Independent Safeguarding Authority (ISA). The ISA scheme is designed to allow universities to identify any individual that is barred from working with children and vulnerable adults, including elderly or sick.

Courses in teaching, health, social work and courses involving work with children or vulnerable adults

For these courses, you must enter X in the box if either of the following statements apply to you:

- (b) I have a spent criminal conviction
- (c) I have a caution (including a verbal caution)
- (d) I have a bind-over order

If statement **(e)** applies to you then you must also give the prison address as your postal address on page 1 of your application and a senior prison officer must support your application.

All other courses

For these courses, you must enter X in the box if either of the following statements apply to you:

- (a) I have a relevant criminal conviction that is not spent
- (b) I am serving a prison sentence for a relevant criminal conviction.

Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1974) are not considered to be relevant and you should not reveal them

Applicants who enter X in the box will not be automatically excluded from the application process. However the University may want to consider your application further or ask for more information before making a decision.

If you are convicted of a relevant criminal offence after you have applied, you must inform the University immediately by contacting International Admissions Office in writing. Your letter should be marked private and confidential for the attention of the International Admissions Manager. Do not send details of the offence; simply inform the University that you have a relevant criminal conviction. You may then be asked to supply more details.
